

# EXPORT PRODUCT LIST

ACTOTEB  
make it possible  
Health Ambassadors Global

The logo features the word 'ACTOTEB' in a bold, white, sans-serif font. The letter 'O' is replaced by a circular icon containing a stylized white figure of a person with arms raised. Below the main text, the tagline 'make it possible' is written in a smaller, lowercase font, and 'Health Ambassadors Global' is written in a medium-sized font.

ACTO<sup>TEB</sup>  
make it possible  
**Health Ambassadors Global**

**ACTOTEB** is a trusted company based in Muscat, Oman and is working to improve patients access to high-quality and affordable medicines in GCC and around the world.

With more than **50 years of experience** in food and pharmaceutical industries, ACTOTEB supplies **more than 400 pharmaceutical products** in **16 therapeutic areas** and is one of the largest pharmaceutical suppliers in the region.

ACTOTEB enjoys solidarity with **strategic partners, both on local and international scales:**

## GENERAL SOLID

### PLANT

The solid dosage form plant, located near Tehran was **built in 2010 with the highest pharmaceutical standards.**

This production facility has obtained **ISO ,9001 18001 ,14001 and GMP certifications**, as well as the approval for **under license manufacturing from Merck and Krka in Iran.**

- ▶ Started production in 2011
- ▶ Capacity of 7500 million tablets and capsules
- ▶ Production of drugs in 15 therapeutic areas
- ▶ Under license manufacturing from Merck and other european brands

*In ACTOTEB, we believe in long term partnership whether it is with our suppliers or our distributors*

## BIOTECH

### PLANT

Biopharmaceuticals is a modern and forerunner division of the industry.

**In 2014, the Biotech plant was inaugurated**, turning ACTOTEB into one of the key players in the field.

- ▶ Started production in 2014
- ▶ Capacity of 40 million lyophilized vials, liquid vials and prefilled syringes
- ▶ Therapeutic areas of production: Oncology, MS

**All products are supported by vast clinical trials.**

## HORMONE

### PLANT

The exclusive hormonal products plant aims to cover **production of contraceptives, hormone replacement therapy and endometrial disease.**

- ▶ Capacity of 700 million tablets
- ▶ First hormone plant with **GMP approval** in the country
- ▶ Includes production lines of pessaries, creams and SDF lines

*WORKING TOGETHER FOR A HEALTHY FUTURE*

## GENERALHAZARDOUS

### PLANT

The approved OEL5 plant is dedicated to the production of general hazardous drugs.

- ▶ Capacity of 800 million tablets and capsules
- ▶ First **OEL5** plant in the country

## ONCOLOGY

### PLANT

ACTOTEB collaborates with the largest factory in the field of producing solid dosage form and injectable anti-cancer products. We place international quality standards at the heart of our manufacturing process. Our State of the art facility is equipped with injectable lyophilized and liquid vials as well as solid dosage production lines, and operates under strict **GMP standards**.

### CAPACITY

- ▶ Vials: 10 million
- ▶ Tablets: 300 million
- ▶ Capsules: 100 million
- ▶ Total Area: 7000 Sqm

*ACTOTEB is a pharmaceutical company specialized in high quality oncology products*

With technology transfer from world class companies and extensive experience in local production, we are the combination of international standards.

We are building a unique range of products to cover the needs of cancer patients.
